

ENDORSED BY

# GUN OWNERS OF AMERICA A-PVF

## NEW HAMPSHIRE

**GOVERNOR:** **Chris Sununu**

During the recent legislative session, the only thing that stood between New York style gun control and freedom was Governor Sununu's veto pen. During the COVID-19 pandemic, Governor Sununu designated the firearms industry as "essential" which enabled Granite Staters to acquire critically needed self-defense firearms and keep manufacturers, dealers and gunsmiths employed.
